

DAVID ROTH

James Taylor Meets Jerry Seinfeld?

David's songs have found their way to Carnegie Hall, the United Nations, several Chicken Soup for the Soul books, the Kennedy Center, NASA's Space Shuttle "Atlantis", Peter, Paul, & Mary concerts, and countless venues in this and other countries (and now other WORLDS) for more than two decades. Poignant to improbable, holistic to hilarious, David joins us from his home on Cape Cod. Join US for an afternoon to remember...
